

Kindergarten Registration Begins

Please Register Now for the 2010-2011 School Year

On February 1, 2010, Longfellow School will begin the process of registering students for the 2010-2011 school year. Parents of incoming kindergartners, of new grade 1 students, and of any other students who will be attending Longfellow for the first time next year are requested to register their children at this time.

Please also note that over the past several years we have had many additional students enter our first grade who attended kindergarten elsewhere. As we work to project next year's section numbers for each grade level, having the most accurate count of our students will help us in our budgeting and staffing.

To register your child, you will need documentation to show proof of residency, (i.e. property tax bill, driver's license and 2 utility bills, not telephone) and a copy of your child's certified birth certificate. Remember, kindergarten students must be age 5 before September 1, 2010. If you have questions or need additional information, please call our office at 847-520-2755.

Note: If your child is currently enrolled in a pre-school program in a District 21 school and will be entering kindergarten next year in our district, you will receive registration materials directly from your child's pre-school teacher.

Please Register Now for the 2010-2011 School Year

(Register school days from 9:30-11:30 a.m. & 1:00-3:00 p.m.
or on Tuesday, February 2, from 4:00-7:00 p.m.)
