

P.A.C. Rescheduled Meeting: ADHD in Children

January 12, 2010

Dear Parents,

In February, our Principal’s Advisory Committee (P.A.C.) will revisit the topic of ADHD in children. Even if you were unable to attend when we began our discussion in the fall of this year, you are welcome to join us on Monday, February 8, 2010, at 6:30 p.m., in our LMC. Once again, Mrs. Megan Aseltine, our building psychologist, will be with us for a parent sharing and open forum discussion on this important topic.

If you would like to attend, please complete and return the bottom portion of this letter. As always, your input and involvement are greatly appreciated.

Sincerely,

Debra Serbin, Principal
